

What is The Dunamis Fellowship?

The Dunamis Fellowship International (DFI) is the global community of those who are participating in the movement of the Holy Spirit that is embodied in PRMI's Dunamis Project teaching.

It is a unique combination of an intentional prayer community, a seminary, and a missionary society. This is expressed through a variety of programs and ministries intended to help you grow as a disciple of Jesus Christ and in cooperating with the Holy Spirit.

The DFI seeks to mobilise, equip and deploy Holy Spirit empowered witnesses for participation in the worldwide movement of the Holy Spirit that is advancing the Gospel of Jesus Christ and extending the Kingdom of God. We are committed to fulfilling the Great Commission in the power of the Holy Spirit according to Acts 1:4-8.

The DFI provides accountability, deep fellowship, prayer connections and mutual encouragement for one another to grow in cooperating with the Holy Spirit. Members lead mission teams, teach at our events, and are involved in the work of prayer that sustains the global work of the Holy Spirit. All members of the Dunamis Fellowship assist in building the spiritual, organisational, and financial support base of the Fellowship, in order to help us fulfil our vision. Membership is a requirement for all of our leaders.

The DFI connects members from all over the world, but its spiritual home is the Community of the Cross in Black Mountain, North Carolina. We are not a church nor a denomination, but we work to support of the body of Christ.

The DFI is a membership organisation that requires a commitment to Jesus Christ as the Way, the Truth, and the Life, and the only way to God, the Father. Being a member involves an annual re-commitment to the Ten Tenets that define the DFI's mission and character.

Why do we need the Fellowship?

We face a growing number of opportunities for running the Dunamis Project and other events in this country and worldwide. As a result, we need a way to continue participating in this move of the Holy Spirit.

We need to address the following challenges:

- 1 How do we continue to deepen the equipping and empowerment of Christian leaders?
- 2 How do we get these trained and empowered witnesses engaged in ministry in the church?
- 3 How can we get Dunamis teaching on the Holy Spirit into thousands of churches for renewal?
- 4 How can we respond to the many calls that come from around the world for Dunamis teaching?
